HUMAN RESOURCE DEVELOPMENT

COURSE DESCRIPTION
An advanced study of the integrated use of training, organizational development, and career development efforts to improve individual, group and organizational effectiveness. Coverage is designed to develop ethical, competent professional leaders with the KSA's needed to perform effectively in critical HRD roles.

RATIONALE
All organizational leaders are de-facto human resource development (HRD) leaders. As such, it is imperative that organizational leaders develop keen understanding of strategic people-management practices.
