ORGANIZATIONAL ANALYSIS & PROBLEM SOLVING FOR EDUCATORS

COURSE DESCRIPTION
An introduction to the nature and management of educational organizations. Integrates major theoretical perspectives with special focus on applying such theories to both better understand and more effectively resolve organizational problems.

RATIONALE
The Educational Leadership Program is designed to provide individuals with the concepts, skills, and knowledge necessary to think critically and to positively contribute to the field of education. Recognizing organizational behavior is a complex phenomenon requiring multiple perspectives to understand the nature of organizational life, properly situate problems, and develop viable solutions. The participants in the class will use metaphoric lenses to explore relevant research, theories, and literature related to the philosophies and theories of organizational behavior.
